

"Open the eyes of your heart, and solve your problems in a new way. You believe it will take years or lifetimes to solve things like hunger, disease and violence. Is it possible that it is simple, and that your need to see it as complicated has been the very thing that has kept you from the answer?"

— Marco, Bulgaria, age 10

We invite you to **JOIN US** at:

The Human Forum of Puerto Rico
The Power of Oneness; Connecting the Seeds of a New Humanity
Hotel Westin Rio Mar, Puerto Rico
December 8 —11, 2005

At this moment nothing is more important, than to link all those who believe that we must set forth a new narrative and create a new world where hope, social justice, peace and a sense of the sacredness of life prevail.

For this we need to connect until we form a critical mass of humanity that influences the change at a global scale. By creating a broad ranging partnership between all those who care, we bring together the streams that work towards creating that critical mass.

We are bringing together the Community of the Caring — "those who are actively combating environmental issues, fighting for human rights, consoling the suffering" —as well as those who seek an improved world, and are simply looking for a place to begin to demonstrate the **Power of People Making a Difference**.

Join Nobel Prize winners, authors, scientists, and extraordinary ordinary people from all walks of life as we come together as one to "Connect, Create, and Celebrate".

Jeffrey Sachs, Marianne Williamson, Jeremy Rifkin, James Twyman, Satish Kumar, Ashok Khosla, Nandita Das, Kerry Kennedy, Jim Clifton, Salomon Levis, Betty Williams, Dr. A.T. Ariyaratne, Roberto Savio, Michael Karlin, Charly Kleissner, and many, many others.

Join us at the Human Forum of Puerto Rico from December 8-11 2005.
